

Giving to Support the Gospel Work in Europe

The gospel work in Europe, including the work among the refugees, is being carried out in a coordinated way through three main entities:

1. **Living Stream Ministry (LSM)**—produces gospel and ministry materials in Arabic, Farsi, and European languages for use in contacting and nourishing the seeking ones.
2. **Rhema Literature Distributors (Rhema)**—conducts free mass distribution of gospel and ministry materials.
3. **Lord's Move to Europe (LME)**—provides financial support for those who serve full time in Europe and for other expenses related to the carrying out of the gospel work in Europe. In conjunction with LME, Amana Trust in London coordinates the work related to the person-to-person contacting and shepherding of seeking ones in Europe.
