IMPORTANT INFORMATION: Lord's Move to Europe (LME) is a gospel mission project of the Church in Anaheim (a recognized section 501(c)(3) tax-exempt organization under the Internal Revenue Code) that furthers the church's tax-exempt purpose of spreading the gospel of the kingdom in the whole inhabited earth. In accordance with IRS guidelines, the Church in Anaheim may raise funds through LME to support specific projects of a foreign charitable organization or a local church that have been approved by the Directors of the Church in Anaheim as being in furtherance of its tax-exempt purpose. However, all funds donated for LME are subject to the complete discretion and control of the Directors of the Church in Anaheim. Donors may request that their offerings be used to support a particular need, which may be taken into consideration with respect to the gospel mission of LME, but such requests are not binding on LME and the Church in Anaheim. Adherence to these IRS guidelines ensures that offerings made to the Church in Anaheim for LME may qualify as tax-deductible charitable contributions.
